11 **What problem creates the context for the project?**

- A People have stopped shopping for food completely.
- B Rising food prices make shopping difficult for some people.
- C Restaurants have become cheaper than home cooking.
- D The UK is the only place where food prices have risen.

12 **What is the main purpose of Bags of Taste?**

- A To sell restaurant meals to twelve customers each night.
- B To teach people only how to use social media.
- C To replace supermarkets with online cooking groups.
- D To help people eat better while spending less on food.

Answers written in the margins will not be marked.

Answers written in the margins will not be marked.

- 13 **What claim does Alicia make about diet in the UK?**
- A Diet is a major driver of unequal health outcomes.
 - B Diet has little connection with poverty.
 - C Poorer people usually have the best diets.
 - D Young people become healthier because of poverty.
- 14 **What practical barrier did Alicia identify?**
- A People refused to eat meals they already liked.
 - B People had too many free ingredients to test.
 - C People lacked cooking confidence and could not risk wasting food.
 - D People found all healthy meals quick and cheap.
- 15 **Why does the programme deliver ingredients to people's homes?**
- A To stop participants from cooking at home.
 - B To make behaviour change practical in the home environment.
 - C To test whether restaurants can deliver faster.
 - D To avoid giving people any recipes.
- 16 **What role does the WhatsApp mentor play?**
- A Providing cooking guidance and practical suggestions.
 - B Judging participants in a formal competition.
 - C Charging extra money for every recipe.
 - D Replacing all interaction with videos only.
- 17 **Why is the onion-cutting video mentioned?**
- A To show that participants must avoid onions.
 - B To prove chana masala is impossible to cook.
 - C To advertise a restaurant's professional recipe.
 - D To show how the project removes a small cooking difficulty.
- 18 **How does Ally respond to the onion-cutting method?**
- A She thinks it is confusing and not worth using.
 - B She says it makes the dish too spicy.
 - C She finds it positive, tidy and easy to follow.
 - D She refuses to try it until the next recipe.

- 19 **What does Ally's comment suggest about her cooking experience?**
- A She reflected on the result and would adjust the seasoning next time.
 - B She decided never to cook chana masala again.
 - C She believed the recipe contained no chilli at all.
 - D She thought the mentor had forbidden spicy food.
- 20 **What overall benefit of Bags of Taste is highlighted near the end?**
- A It makes restaurant dining affordable for everyone.
 - B It combines cooking skills, healthier eating and lower cost.
 - C It removes the need for participants to buy food forever.
 - D It focuses mainly on expensive meals for special occasions.
