How Bubble Tea Got Its Bubbles

Name: _____

Class: _____

Score: _____ / 15

NO MORE THAN THREE WORDS - Changing tea habits in Britain

No.	Sentence
1	A familiar black tea drink contains a _____.
2	Bubble tea often contains milk and _____, along with tapioca balls.
3	The drink was first invented in _____.
4	A visit to _____ introduced the inventor to iced milk tea.
5	Back in Taiwan, he found tapioca balls at a _____.
6	Media attention accompanied the drink's rapid rise in _____.
7	After reaching nearby countries, bubble tea spread _____.

11 **What broader change in tea drinking does the British example illustrate?**

- A New teas have largely displaced black tea in Britain.
- B Traditional tea now tends to be served without milk.
- C New varieties have gained ground alongside a familiar style.
- D Cold tea is preferred mainly on hot summer days.

12 **Which aspect of bubble tea can customers choose for themselves?**

- A The extra flavours mixed into it.
- B The starch used for the balls.
- C The firmness of the tapioca balls.
- D The original strength of the tea.

Answers written in the margins will not be marked.

Answers written in the margins will not be marked.

- 13 **What are the "bubbles" in bubble tea?**
- A Air pockets produced when milk is shaken.
 - B Pieces of ice that soften in the drink.
 - C Drops of flavouring mixed into the tea.
 - D Chewy balls made from tapioca starch.
- 14 **Why can bubble tea take on different added flavours?**
- A Iced milk tea loses its flavour in warm weather.
 - B Tapioca has little taste of its own.
 - C The balls are sourced from local markets.
 - D Tea tastes different after it is chilled.
- 15 **What helped turn the new drink into a wider tea trend?**
- A Its inventor opened tea shops in neighbouring countries.
 - B Its range of flavours drew immediate media interest.
 - C Well-known visitors began coming to the inventor's shop.
 - D Local markets began selling the drink in large quantities.
- 16 **What does the inventor's mention of his other products suggest about bubble tea's rise?**
- A His other products had failed before bubble tea appeared.
 - B He regarded this product as certain to lead the range.
 - C He had designed the range to attract media attention.
 - D He did not see this product's success as guaranteed.
- 17 **According to the discussion, what helped the drink gain fans beyond Taiwan?**
- A People enjoyed its smooth, chewy quality after trying it.
 - B People followed celebrity visits to shops in each country.
 - C People valued its newness more than its taste.
 - D People chiefly wanted its range of added flavours.
- 18 **What does the suggestion about Britain imply?**
- A Familiar tea could recover its appeal without any change.
 - B A fresh version of a familiar drink could appeal there.
 - C British drinkers already favour the Taiwanese version.
 - D Returning to an older recipe could renew interest.
